SERVICE TO MANKIND AWARD

This special award is designed to recognize those individuals, companies, or non-profit organizations that have "made a difference" in our local community. Those to be considered include, but are not limited to, insurance home offices, paramedic services, non-profit support groups, hospitals, state government officials or departments, and other health regulatory agencies, and individuals or professionals.

The winner is determined based on the following categories:

- An individual or organization that has made significant community service contributions
- An individual or organization that has made a significant contribution to the health care delivery system or improvements in the health insurance industry
- Someone who has had his/her company implement a program or practice to contain costs
- An individual whose career has been devoted to helping promote quality health care and/or medical care reimbursement programs
- An individual or organization that is non-political and has exhibited extraordinary service to the community and/or health underwriters
